

Math 4740

5/5/25

- Test 2 and solutions are on website
-

- On test 2 I wrote

$$GSF = \text{your grade so far}$$

This is your grade if you don't take the final

- $\text{Final} = \text{test 1} + \text{test 2}$

Use test 1/test 2 study guides.

Final can replace one or both tests.

- **FINAL = MONDAY 12-2**
-

- Weds I will be in class to answer any questions for people taking the final
-
