General Information

UAS Purchasing Policy 220 requires that competitive bidding be conducted for purchases and services equal to or exceeding $10,000.00. Sole source means that a single vendor is uniquely qualified to meet the department objective and therefore the purchase should be exempt from the competitive bid process. If a project has determined that their purchase qualifies as a sole source, follow the instructions in part 2 below:

Part 1: Summary of Quotations Obtained

Indicate the items you wish to purchase and their prices by vendor. Attach price quotations from the vendor contacted that can provide your item(s). If you have quotations from more than three vendors, or more than four items, please attach a spreadsheet with this information.

Part 3: Conflict of Interest

It is the UAS policy that board member, employee, or CSU employee by virtue of their position conduct the business affairs in accordance with the highest ethical, legal, and moral standards, and must not be in a position to make a decision for the ASC if his or her personal, professional, or economic interests may be directly influenced or affected by the outcome.

Please answer the following questions as it relates to the relationship or activities between the individual who selected the vendor and the proposed vendor. A 'Yes' answer does not necessarily constitute a conflict of interest. However, without complete disclosure, a fair and reasonable assessment of whether this vendor is an appropriate business partner of ASC cannot be made.
