

CHARTER COLLEGE OF EDUCATION

Division of Special Education & Counseling

Office of Special Education Programs Scholarship

Partners in improving Social Communication in
Early Childhood Special Education (PISCES)

Mission: Support young children with disabilities with high intensive needs

We are recruiting applicants from

MA in Special Education, Option in
Early Childhood Special Education

and

MS in Counseling, Option in
Applied Behavior Analysis

Scholarships covering fees and books

- Students must be admitted to the M.A. in Special Education, option in Early Childhood Special Education, OR the M.S. in Counseling, option in Applied Behavior Analysis for the Fall 2020 semester.
- Support is provided for in-state tuition for the 2020/21 and 2021/22 school years.
- Students will complete interdisciplinary and collaborative competencies throughout their program, and graduate with a certificate in Autism Spectrum Disorders in addition to their respective Master's degrees.
- Note that it will affect Financial Aid calculation, and scholars have a two-year payback requirement for each year of support, working with young children with disabilities.
